

Official Membership Application

The GTO Association of PA (GTOPA) is an official chapter of the GTO Association of America (GTOAA). Our chapter was formed in July, 1989. Membership is open to all Pontiac owners and Pontiac brand enthusiasts who are members of the GTOAA. The club hosts and participates in events dedicated to promoting the preservation of Pontiacs as well as the awareness of the Pontiac tradition of performance. The club hosts one annual car show each Fall, a Winter pizza party, and a Spring dinner or picnic. Monthly business meetings are held on the 2nd Thursday of each month at 7:30 PM in the Coolidge Building, Bethlehem Township, PA. The November business meeting is the annual meeting during which officers are elected for the following calendar year. Club technical advisors are available to help those members who are working on technical issues with their vehicles. The club maintains a website: www.GTOPA.org

Annual dues are \$60 (\$25 for GTOPA and \$35 for GTOAA). Active membership includes voting rights, the receipt of the monthly club newsletter, a 10% discount on parts at Star Pontiac Buick GMC (a club sponsor), technical support as needed, and the fun of meeting and associating with others who share the passion for fine automobiles. The club has 4 elected officers, 3 elected board members, a newsletter editor, and a webmaster. Contact information for club officers and board members is available on the club website: www.GTOPA.org

Mail your completed application and a check for \$60 (made out to "GTO Association of PA") to Dwayne Rissmiller, 106 Trisha St. PO Box 107, Tatamy, PA 18085. If you are an existing GTOAA member, mail your completed application and your check for \$25. Be sure to put your GTOAA number on your application.
